The Edge Effect **1st All Members Exhibition**

at DIVA

September 1st - October 28th, 2006

Deadline for Entry: August 14th, 2006

Contact: Becky Guy bec.guy@gmail.com

"Edge Effect" in the world of nature describes the activity that occurs where different ecosystems meet. DIVA is poised at the "edge" of a cultural change for downtown Eugene. As artists and members of DIVA we are active participants in that change. This is why we have chosen "Edge Effect" as the theme for the first All Members show at DIVA.

DIVA Members are invited to submit works that illustrate, demonstrate, evoke, emerge from your own edge effects for exhibition during September and October 2006. Only current members of DIVA will be allowed to exhibit work; non-members may exhibit by including the \$60 membership fee with your entry form. Membership is good for one year.

All entries will be accepted, and each member is guaranteed to exhibit one piece in the show. Additional pieces will be considered as space allows. The entry fee is \$8 per member, which will pay for exhibit postcards, posters, and flyers promoting the exhibit.

To ensure quality and originality, work that is a copy of the work of others and/or made entirely from a kit or commercial design. will not be accepted. All pieces must be dry and ready to be displayed at the time of delivery. All unframed work must have a hanging sleeve or loops/rings on the back of the work. For the protection of both people and work, each piece must fit through a standard door. Works exceeding four feet in width, or of excessive weight or height may be refused entry for this show.

Entry forms are also available at DIVA and online at divanow.org
